

Notice of Intent to Provide Home Education

If you are currently enrolled in an accredited State Department of Public Education “Online Program” you are not required to file an “Intent to provide Home Education” because your online program qualifies as an authorized educational program.

Statutory definition (SB 07-215): "On-line program" means a full-time on-line education program or school that delivers a sequential program of synchronous or asynchronous instruction from a teacher to a student primarily through the use of technology via the internet in a virtual or remote setting."

Parent Name: _____

Place of Residence: _____

Name and Age of Children to be Home Educated:

Name _____ Age ____ Date of Birth _____

Name _____ Age ____ Date of Birth _____

Name _____ Age ____ Date of Birth _____

Please provide the name of the independent or parochial school to which your results will be submitted. _____

This letter is intended to notify Mesa County Valley School District 51 of our intent to conduct a **nonpublic home-based educational program** for the above listed children for the **2022-2023** Academic Year. The educational plan for the above children will include at least 172 days of instruction, averaging four hours per day. This notice of intent is in compliance with the requirements of Colorado Revised Statute 22-33-104.5.
